

Annual TORONTO SINFONIETTA Concerto Competition

**Support our young, most talented musicians,
future stars of classical music scene.**

*At **Toronto Sinfonietta**, we strongly believe in working with promising young musicians by investing each year in Canadian talent development and to assist new emerging artists by giving them a chance to test their abilities against all the demands and challenges of the professional music scene. We thrive on mentoring and helping them to mature as artists by providing the foundation they need for success nationally and internationally.*

*For over 8 years, Toronto Sinfonietta has been organizing an **annual Concerto Competition** for young musicians under the age of 19, to select among the many talented students and artists in our region the best performers who will ultimately appear as soloists with our orchestra in a "**Gala Concert of the Winners**".*

Several of our young talented winners have subsequently won national and international awards, and become renowned artists playing with international orchestras around the world. Our objective is to find and nurture these "rising stars" to become successful musicians.

We invite you to join us in our efforts to create a professional environment for their performances. Become part of our team, and come share our passion and our dream.

***You can help us by becoming a sponsor and making a donation* towards
our Concerto Competition and its Gala Concert.***
